**Annual voting takes place at the last race of the season. If you wish to place your intent to run for any of the upcoming open positions, email us at [secretary@iwaracing.com](mailto:secretary@iwaracing.com). Open positions will close for ballot printing about 2 weeks prior to voting to allow for printing and absentee voting. Absentee voting will open from that date and close the Tuesday before voting with ballots required to be received by the IWA no later than the Tuesday prior to voting. Absentee voting is only allowed for annual members who will not be attending the last race of the year and can not vote by Absentee. If you need a absentee ballot, email us at [secretary@iwaracing.com](mailto:secretary@iwaracing.com).**

**Elections are held every year at the last race of the season. Annual members are given the right to vote. To become an annual member, see the Membership Information page. Thanks to all those who give of their time to the IWA in this capacity.**
